

## **NOTICE OF EXTENSION OF PUBLIC COMMENT PERIOD**

The Rankin-Hinds Pearl River Flood and Drainage Control District (“District”), in consultation with the U.S. Army Corps of Engineers, released for public review and comment a Draft Feasibility Study / Environmental Impact Statement (“FS/EIS”) on June 23, 2018. Pursuant to its legal obligations under the National Environmental Policy Act, the District initially invited the public to provide comments on the Draft FS/EIS for a period of 45 days after publication, until August 7, 2018. In order to ensure the public has ample opportunity to provide comment, the District is extending the public-comment period to run for 45 days from Monday, July 23, 2018 – *i.e.*, until September 6, 2018. All comments received on any date up to and including September 6, 2018 will be considered.
